Applicant is requesting reconsideration of a final refusal dated March 28, 2003. The amended identification of goods is acceptable and has been entered. However, the applicant must note the following:

After careful consideration of the law and facts of the case, the examining attorney must deny the request for reconsideration and adhere to the final action as written since no new facts or reasons have been presented that are significant and compelling with regard to the point at issue.

Accordingly, applicant's request for reconsideration is *denied*. The time for appeal runs from the date the final action was mailed. 37 C.F.R. Section 2.64(b); TMEP Section 715.03(c).
